Review the Reasonable Suspicion vs. Probable Cause supporting lecture and the Certainty of Guilt power point presentation.

Although we have Constitutional protections there are exceptions to these protections to ensure public safety.

1. Citing landmark cases and their ruling in chronological order, explain how the Exclusionary Rule came into existence.
2. What are three exceptions to the search warrant requirement? What was the leading case that set the standard for "stops and frisk"?
3. Explain the Miranda Ruling and its relationship to the Fifth and Sixth Amendments. Under what conditions does the Miranda Rule come into effect?
